3 Unarranged borrowing fees

If you do not follow the terms and conditions of your account the following fees may apply.

Fee	Why the fee is charged	How much?
Paid item fee	If an item such as a cheque, standing order, direct debit or personal loan repayment is due to be paid from your account and this makes your account go overdrawn or over your agreed overdraft limit, or if your account is already overdrawn or over your agreed overdraft limit, we will charge you a paid item fee if we decide to pay the item after examining your account. We will not charge you a paid item fee if your balance is less than £15 overdrawn.	£22 for each day
Unpaid fee	If an item such as a cheque, standing order, direct debit or personal loan repayment is due to be paid from your account and you do not have enough money to cover the payment, we will charge you an unpaid item fee if we decide, after examining your account, not to pay the item.	£25 for each unpaid item

4 Arrangement fees

Overdraft (new and renewal)	Normally 1% of agreed facility (minimum £50.00)
Variable rate loan	Normally 1% of agreed facility (minimum £55.00)
Temporary extension fee (This is for the temporary extension of an overdraft or loan beyond its original expiry date. This is subject to advance agreement with your branch.)	Minimum 0.25% per quarter or part thereof.

5 Interest we charge you - debit and uncleared interest

There are two different categories of interest you might pay, and these are explained below. You can find the current AIB (NI) base rate and details about interest rates on display in a branch or on our website, aibni.co.uk You can also call our helpline on 0800 389 6218.

Debit interest

We work out debit interest each day on the overdrawn balance of the account. The debit interest rate that applies to your account depends on whether you have agreed an overdraft facility with us.

If you have agreed an overdraft with us, we will charge you the rate that we agreed with you at the time the overdraft was arranged. The rate will be a rate over and above the AIB (NI) base rate.

If you have not agreed an overdraft with us, we will charge you the default debit interest rate. The current default debit interest rate is AIB (NI) base rate + 12%.

Uncleared interest

When you lodge cheques from which the funds are taken from accounts with other banks, the cheques take a number of days to 'clear' through the banks' clearing system. If you have an overdrawn balance and pay cheques into your account, the following will apply.

- 1 If the cheques you have paid in are not enough to cover the overdrawn balance, we will work out uncleared interest on the full amount of the cheques.
- 2 If the cheques you have paid in are for more than the overdrawn balance, we will work out uncleared interest on the cheques, but only on the overdrawn balance.
- 3 If your account is in credit and you lodge a cheque but then withdraw the money in your account, including some or all of the cheque you have just lodged, before it has cleared, we will work out uncleared interest on the amount you have withdrawn from your account which had not been cleared. In other words, when you make the withdrawal we will take the cleared funds (the amount your account was in credit) first before taking the uncleared funds (the cheque which has not cleared).

Changes to debit and uncleared interest

The debit and uncleared interest rates may change. We will let you know about any changes in line with our terms and conditions.

Interest periods for current accounts

Interest periods	Date your account will usually be credited	Date your account will usually be debited
16 March - 15 June	16 June*	4 July#
16 June - 15 September	16 September*	4 October#
16 September - 15 December	16 December*	4 January#
16 December - 15 March	16 March*	4 April#

*or the previous banking day #or the next banking day

We will advise you of the amount of debit interest due, if any, prior to your account being debited. This gives you the opportunity to ensure that you have sufficient cleared funds available in your account to meet the interest due.

8 Clearance of cheques

All cheques lodged to your account have to go through a process known as the clearing cycle and will be treated as "uncleared funds" for a period of time, depending on the bank on which the cheque is drawn. The "uncleared period" reflects the time it takes to obtain payment from the branch of the bank on which the cheque is drawn. During this period, if you draw against the uncleared funds, interest may be charged. The rate of interest applicable will depend on whether you have an overdraft facility to accommodate the payment.

The following table indicates the day on which your cheque will clear for withdrawal purposes and the day on which your funds will start to earn interest. The days refer only to banking days and do not include weekends or Bank Holidays.

The clearing cycle on cheques lodged at the Post Office® begins when we receive the cheque, normally the next banking day.

Day	Event – For cheques processed using the “Paper clearing system”
Day 0	Day the cheque is lodged into a customer's account.
Day 1	Day the cheque is exchanged with the paying bank and processed through their clearing system.
Day 2	<p>Day the cheque is debited from the paying bank customer's account.</p> <p>Day that the customer gets value for the cheque e.g. the day the funds will start earning interest or reduce the amount of overdraft interest charged.</p> <p>Day that the paying bank makes the decision to pay the cheque or return the cheque unpaid.</p>
Day 3	Day that the collecting bank receives the unpaid cheque from the paying bank and debits the customer's account.
Day 4	<p>Day that the funds will be available for withdrawal by the customer.</p> <p>Unpaid cheque may still be debited from the customer's account.</p>
Day 5	Unpaid cheque may still be debited from the customer's account.
Day 6	Last day that a cheque returned unpaid by the paying bank can be reclaimed from a customer's account. However an unpaid cheque may be debited after this date if AIB (NI) has the agreement of the customer to debit their account OR the customer was a knowing party to fraud.

Day	Event – For cheques processed using the “Image clearing system”
Day 1	Day the cheque is lodged to the customer's account.
Day 2	<p>Day the funds will start earning interest or reduce the amount of overdraft interest charged.</p> <p>Funds will be available for withdrawal by the customer by no later than 23:59.</p> <p>However an unpaid cheque may be debited after this date if AIB (NI) has the agreement of the customer to debit their account OR the customer was a knowing party to fraud.</p>

Examples

AIB (NI) cheques:

A AIB (NI) cheque lodged to a AIB (NI) account on a Monday is normally available for you to withdraw on a Wednesday morning. Once we have collected the money from the branch stated on the cheque it is cleared for the purpose of calculating interest, if applicable. Therefore a AIB (NI) cheque lodged on a Monday to a AIB (NI) credit interest bearing account, will normally start to earn interest (or reduce the overdrawn balance for interest purposes on any current account) on Tuesday.

Other UK bank cheques:

A cheque drawn on another bank, lodged to a AIB (NI) account on a Monday is normally available for you to withdraw on a Friday morning. Once we have collected the money from the bank stated on the cheque it is cleared for the purpose of calculating interest, if applicable. Therefore a cheque drawn on another bank, lodged on a Monday to a AIB (NI) credit interest bearing account, will normally start to earn interest (or reduce the overdrawn balance for interest purposes on any current account) on Wednesday.

As described above, there is a risk that the cheque could be returned unpaid and debited to your account up to close of business on Day 6. The timescales are for guidance purposes only and illustrate when we aim to make the funds available to you.

NOTE: In exceptional circumstances a cheque can be returned unpaid outside of the clearing cycle outlined above.

9 Clearance of automated payments

A standing order is an instruction to transfer money from one bank account to another. Once the money reaches the other account, it will be available immediately for them to withdraw.

You can also receive money by standing order or by having your salary or pension paid by Bacs or Faster Payments Service direct to your account. Once the money reaches your account, it will be available immediately for you to withdraw and will start to earn interest (if this applies) the following banking day.

10 Debit Card Transactions

The charges outlined in this section will apply in addition to any automated withdrawal fee as advised in the daily transaction banking fees section.

You can withdraw cash from cash machines worldwide. If you withdraw money from a cash machine not provided by AIB Group, you may be asked to pay a handling fee (which will go to the cash machine operator). When you make a withdrawal, you should be told how much these fees are and be given the choice of cancelling the transaction.

Using your Debit Card to withdraw sterling from a cash machine

You can use your Debit Card to withdraw sterling from cash machines. The only fee applied by us in this instance will be the automated withdrawal fee mentioned above.

Using your Debit Card to withdraw sterling at a Post Office® counter

You can use your Debit Card to withdraw sterling at a Post Office® counter. The fees applied by us in this instance will be the automated withdrawal fee and the notes and coin paid out at the Post Office® fee mentioned above.

Using your Debit Card to withdraw money from cash machines in Europe and the rest of the world

You can use your Debit Card to withdraw foreign currency at cash machines that accept Visa Debit. The amount will be converted at an exchange rate set by Visa. You will have to pay a currency conversion fee of 2.75% of the amount you are withdrawing. If you are withdrawing a currency other than euro, you will also have to pay a separate 1.5% cash handling fee.

Using your Debit Card to buy goods and services and withdraw money over the counter

If you use your Debit Card to buy goods and services or to withdraw money over the counter at any outlet that offers this service (known as a 'manual cash advance'), in a foreign currency, you will have to pay a currency conversion fee of 2.75% on the sterling amount, which is included in the foreign exchange rate applied to the transaction. The amount will be converted at an exchange rate set by Visa.

For manual cash advances (including pounds sterling), we will charge you a separate 1.5% cash handling fee.
